

Melancholic

BoyWithUke

I know that you want to smile
But, you show that you can't do it for a while
But, I know how it goes
There's not a problem
Too fast or too slow, you've hit rock bottom
It's okay, it was just yesterday when you caught it
I'm talking 'bout melancholic
Your father gets on [?]
But, I could be mistaken
Or, maybe, you could be faking
But, either way I'm not taking
Any sticks in your places

I know that you want to smile
But, you show that you can't do it for a while
But, I know how it goes
There's not a problem
Too fast or too slow, you've hit rock bottom

La-la, di-da (oh-oh-oh)
La-la, di-da (oh-oh-oh)
La-la, di-da
La-la, di-da
