BoyWithUke

We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high  
We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high

I won't let the memories fade  
Hazel eyes and summer shades  
Hair on fire, hand grenades  
I won't get up out my bed  
I can't get you out my head  
I hope I don't end up dead

Oh no  
I'm sick of conversations in the dark  
I don't know where you are

We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high  
We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high

Nosediving  
Nosediving from the high  
Nosediving  
Nosediving from the high

No matter where I go I can never be alone  
I can open up my phone but I can't open up my throat  
'Cause my thoughts will overflow, they been praying on my lows  
I know how to lie but I don't know how to cope

Oh no  
I'm sick of conversations in the dark  
I don't know where you are

We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high  
We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high

I don't wanna fake it  
I just have to make it up along as it goes  
I don't wanna take it  
I just have to make it up along as it goes

We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high  
We're all grown up, we're all so lost  
Nothing has prepped us for this life  
It's like we don't know why  
Nose diving from the high
