

Out Of Reach

BoyWithUke

The show is over
You can go pack up and leave
But lean a little closer
I can show you what I see
We could be together
I'll be what you think of
I can be your lover
Not just someone you meet

Ayo, ayo
She'll never know
How can I get her, get her out of my dreams?
Ayo ayo
'Cause I'm not that bold
How can she be so, be so far out of reach?

I know, I know, I know
I said I'm sorry
I hope you go just don't
Forget about me
I know it's all my fault
For falling for you
But I hear you calling my name
Is it because of the fame
Or are you feeling the same?
I can't stop these thoughts
Babe I'm going insane

Ayo, ayo
She'll never know
How can I get her, get her out of my dreams?
Ayo, ayo
'Cause I'm not that bold
How can she be so, be so far out of reach?

Ayo, ayo
She'll never know
How can I get her, get her out of my dreams?
Ayo, ayo
'Cause I'm not that bold
How can she be so, be so far out of reach?

And it might be better
To run away
I might upset her
Worried bout how much I make
A thousand letters
I wrote today

Ayo, ayo
She'll never know
How can I get her, get her out of my dreams?
Ayo, ayo
'Cause I'm not that bold
How can she be so, be so far out of reach?

Ayo, ayo

She'll never know
How can I get her, get her out of my dreams?
Ayo, ayo
'Cause I'm not that bold
How can she be so, be so far out of reach?
