

## Poopy snow

BoyWithUke

Took me a while to learn  
Took me a while to learn how to learn  
Took me a while to burn  
Took me a while to burn til I got hurt  
I got too many things I don't know how to do  
Few of many things that I know how to defuse  
I shot too many things that I don't know how to use  
And there's so many things that I find profuse

Didn't know what I was thinking (a-ah)  
Didn't know what I was drinking all night long (a-ah)  
Didn't know what I was thinking (a-ah)  
Didn't know what I was drinking all night long (a-ah)  
And I don't feel quite right (no)  
Cause I'm getting meta, am I? (wo-oh)  
Cause I'm losing my mind, alright (no)  
I gotta get back on my shit tonight (wo-oh)

Peanut jelly sandwiches going into my diet  
And I feel like a leviathan and getting ready to fight  
And then I fell into my life and been getting ready to die  
Cause I'm not ready to try  
Yeah, not even a try  
And I don't feel quite right  
And I swear I'm not tripping  
It's a beautiful night, get the fuck out my sight  
It's a difficult feeling

(Took me a while to learn (o-oh)  
Took me a while to learn how to learn (o-oh)  
Took me a while to burn (o-oh)  
Took me a while to burn til I got hurt (o-oh)  
I got too many things I don't know how to do (o-oh)  
Few of many things that I know how to defuse (o-oh)  
I shot too many things that I don't know how to use (o-oh)  
And there's so many things that I find profuse (o-oh)

I still don't, still don't know  
Still don't know how to feel  
I still don't, still don't know  
Still don't know how to feel

I don't wanna die, I don't want to try (o-oh)  
I don't want to try to climb out of my life (o-oh)  
I don't wanna die, I don't want to try (o-oh)  
I don't want to try to climb out of my life (o-oh)
