

# She Said No

BoyWithUke

Stood together outside, I don't even know what  
Was going through my mind, now I think it was love  
I never knew I could find someone who I thought was dumb  
But make my heart go ba-da-dum, ba-da-dum  
And I was so scared for my life  
But I said that I would rather try  
And I'm pretty sure I'm out of time  
And I throw my meds straight into the mud  
'Cause it doesn't seem to help me when I'm falling in love  
And my stomach hurts, but I don't mention the blood  
I think I might need a doctor for the mess that I've become  
Oh, I found it hard to breathe  
It's getting dark out, don't you think?  
Tell me or is it just me?

Then she took my coat 'cause it was cold  
And we took pictures with her phone  
She left her Polaroid at home  
I texted all my friends, I wrote  
That I was falling for this girl  
Her eyes were glowing, hazel pearls  
I told her that she was my world  
And she said, yeah, she said no

Yeah, she said no  
Yeah, she said no  
Yeah, she said no  
Yeah, she said

You probably don't give a fuck who I am  
I don't blame you, I hate me too, but I can't  
Do a lot to change it or the thoughts in my head  
I am faceless, I'm nameless, I'm better off dead  
That's too far, I'm so sorry, please excuse my mess  
I'm so stupid, so worthless, I won't do it again  
That I promise you, I'm just a boy with a pen  
And a ukulele, is it not evident  
That I'm broken, I'm frozen, I'm stuck in my bed?  
I was hoping you'd open me up, but instead  
My emotions took over my mind and I said  
That I hate you, I hate that I wish you were dead

Then she took my coat 'cause it was cold  
And we took pictures with her phone  
She left her Polaroid at home  
I texted all my friends, I wrote  
That I was falling for this girl  
Her eyes were glowing, hazel pearls  
I told her that she was my world  
And she said, yeah, she said

Yeah, she said no  
Yeah, she said no  
Yeah, she said no  
Yeah, she said no
