

# Anyone Who Knows What Love Is

Boyz II Men

Anyone  
Anyone  
Anyone  
Anyone

You can blame me  
Try to shame me  
And still I'll care for you  
You can run around  
And even put me down  
Still I'll be there for you

The world  
May think I'm foolish  
But they can't see you like I can  
Oh, but anyone  
Who knows what love is  
Will understand

Anyone (Anyone)  
Anyone (Anyone)  
Anyone  
Anyone  
Anyone

I just feel so sorry (anyone)  
For the ones who pity me  
(Anyone) 'Cause they just don't know  
(Anyone) No, they don't what happiness and true love can be

I know to ever let you go  
Oh, it's more than I, than I could ever stand  
Oh, but anyone who knows what love is, honey  
Will understand  
Oh, they don't understand

I understand, and I believe  
(They may think I'm foolish, baby)  
(They don't understand, no)  
I don't think they hear us, baby  
(They don't hear us, baby)  
(They don't know about our love, no, no)  
(Not a better love)
