

# End of the Day

Boyz II Men

I hurt so bad each time I see you walk away with him  
It's time for you it's tryin up to know the sense  
Stuck in this dream between you and me  
And you have to be blind not to see  
We came through the world

Don't you know  
And I'll never stop loving you girl oh no  
Baby all you gotta do is say the word  
And I'll be by your side  
And I'll be right there  
I will never ever let you down I swear  
Just imagine how our life can be  
And you know you're dreaming in reality  
I will give, I will give you my love  
Never let you down because

At the end of the day, the end of the day  
When it's all said and done, (when it's all said and done)  
When it comes right down to here  
Baby you're the one, you're the one I want  
At the end of the day,  
When it's all said and done, (when it's all said and done)  
When it comes right down to here  
Baby you're the one, you're the one I want

Don't hold it like... and try a better man  
Don't wanna take you all around the world and back again  
Baby place it to say don't... we're gonna remember forever  
He doesn't understand the way a woman needs to feel  
I wonder if he ever noticed her sex appeal  
So I'll be... you're taking my breath the way  
I need to get a chance baby

And I'll never stop loving you girl oh no  
Baby all you gotta do is say the word  
And I'll be by your side  
And I'll be right there  
I will never ever let you down I swear  
Just imagine how our life can be  
And you know you're dreaming in reality  
I will give, I will give you my love  
Never let you down because

At the end of the day, the end of the day  
When it's all said and done, (when it's all said and done)  
When it comes right down to here  
Baby you're the one, you're the one I want  
At the end of the day,  
When it's all said and done, (when it's all said and done)  
When it comes right down to here  
Baby you're the one, you're the one I want
