

# I Miss You

Boyz II Men

Thought I heard your voice yesterday  
When I turned around to say  
That I loved you baby  
I realize, it was juss my mind  
Played tricks on me

And it seems colder lately at night  
And I try to sleep with the lights on  
Every time the phone rings  
I pray to God it's you  
And I just can't believe  
That we're through

I miss you  
There's no other way to say it  
And I can't deny it  
I miss you  
It's so easy to see  
I miss you and me

Is it turning over this time  
Have we really changed our minds about each other's love  
All the feelings that we used to share  
I refuse to believe  
That you don't care

I miss you  
There's no other way to say it  
And I, and I can't deny it  
I miss you  
It's so easy to see  
I miss you and me

I've got to gather myself as together  
I've been through worst kinds of weather  
If it's over now  
Then I'll be strong  
Can't believe that you're gone  
I've got to carry over

I miss you  
There's no other way to say it  
And I, and I can't deny it  
I miss you  
It's so easy to see  
I miss you and me

Oh there's no other way to say it  
I can't deny it  
I miss you baby  
It's so easy to see  
I miss you and me

Oh no other way to say it  
I miss you baby  
There's no other  
That you're deprived of me now

That you're deprived of me now  
I miss you  
Said I can't deny it  
I, I, I, I miss you baby  
It's so easy to see  
I miss you and me
