I Will Get There

Oh...oh...h... Hev... Yeah... I've been wanderin' 'round in the dark Been lost somewhere where no light could shine on my heart I have known a pain so deep But I know my faith will free me And I'll get through this I'll find my way again So don't tell me that it's over 'Cause each step just gets me closer (I will get there) I will get there (I will get there) I will get there somehow Cross that river (Cross that river) Nothing's stoppin' me now I will get through the night (Oh, yes, I will) And make it through to the other side (Get there) Get there (Get there) Get there I've been in these chains for so long I'll break free and I'll be there where I belong Hold my head up high, I'll stand tall And I swear this time I won't fall I will do this No matter what it takes 'Cause I know no limitations And I'll reach my destination, I will get there I will get there (I will get there) I will get there (Ooh) somehow (Somehow) Cross that river (Cross that river) Nothing's stoppin' me now I will get through the night And make it through to the other side (Ooh, get there) Get there (Get there) Get there Well, the night is cold and dark But somewhere the sun is shining And I'll feel it shine on me I'll keep on tryin', I'll keep on tryin'

I will get there (I will get there) I will get there somehow Cross that river (Cross that river) Nothing's stoppin' me now I will get through the night And make it through to the other side Get there, get there
