

## Melting Pot

Boyzone

Take a pinch of one man  
Wrap him up in suntan  
Add a touch of blue blood  
And a little bitty bit of  
whatever you choose  
Curly black and kinky  
Mix it with love and let's see  
If you lump it altogether  
Well you've got a recipe  
for a get along scene...  
Oh what a beautiful dream  
If it could only come true  
You know you know...

What we need is a great big melting pot  
Big enough to take the world  
and all it's got  
Keep it stirring for a hundred years or more  
Turn out coffee colored people  
by the score  
Yeah...no

Mick and Lady Faithful  
And everyone who's graceful  
You know the living could be tasteful  
And we should all get together  
in a mixing machine  
Yeah yeah yeah

The poorest and the wealthy  
Weakest and the healthy  
If you lump it all together  
Well you gotta recipe  
for a get along scene  
I'd better call up the Queen  
It's only fair that she know  
you know you know...
