

Normal Boy

Boyzone

How could you think that I'd do that to you?
Don't mention things that I'd never do
I think that you've lost who you're talking to
Asking me to prove

Cause I don't say what I don't mean
Cause everything is as it seemed
Girl, you know that you're my queen
Everything is blessed with me

She said give me love love love
I can't get enough nough nough
Don't you start a war on us
Baby don't be so paranoid
She said give me love love love
You know I got enough nough nough
Don't you start a war on us
I'm not like a normal boy

It's like you're trying to find my problem
I can't deny I've had my share of them
And one point that I show you that you need to have a doubt
You know that I'm allowed with you

Cause I don't say what I don't mean
Cause everything is as it seemed
Girl, you know that you're my queen
Everything is blessed with me

She said give me love love love
I can't get enough nough nough
Don't you start a war on us
Baby don't be so paranoid
She said give me love love love
You know I got enough nough nough
Don't you start a war on us
I'm not like a normal boy
I'm not like a normal boy, no

Ooh
I'm nothing like a normal boy no
Ooh
I'm nothing like a normal boy no
Ooh
I'm nothing like a normal boy no
Ooh

Don't get me mixed up
For something I'm clearly not
Don't get me mixed up
For something I'm clearly not
Don't get me mixed up
With something I'm clearly not
Don't get me mixed up
Don't give me that
Don't give me that
You should know that I'm above that

Love love love
You know I got enough nough nough
Don't you start a war on us
Baby don't be so paranoid
She said give me love love love
You know I got enough nough nough
Don't you start a war on us
I'm not like a normal boy
I'm not like a normal boy, no

Ooh
I'm nothing like a normal boy no
Ooh
I'm nothing like a normal boy no
Ooh
I'm nothing like a normal boy no
Ooh
No no no no
