

# Breakdown Dead Ahead

Boz Scaggs

I call ya  
You ain't in  
What's this cold reaction  
Where you been?  
Ooh baby  
Layin' it on the line  
If this is last call  
And you say that's all you can take  
It's fine

I'm sorry but  
It don't make sense  
You'd be a fool  
If you just run out on first offense  
Ooh baby play it smart  
Before you go south with your big mouth  
Better check your heart

Danger there's a breakdown dead ahead  
Maybe you're in way above your head  
I may burn.. might upset you  
But you know I'd never let you down

I told ya  
No more lying  
No more tears a falling  
Stop your cryin'  
Ooh baby  
I'm your man  
Before you go back to your side track  
Baby understand

Danger there's a breakdown dead ahead  
And just maybe you're in way above your head  
I may burn.. might upset you  
But you know I'd never let you down  
No no no  
No no no no  
No no no no no no no

Danger there's a breakdown dead ahead  
And just maybe you're in way above your head  
I may burn.. might upset you  
But you know I'd never let you down  
No no no

Danger there's a breakdown dead ahead  
And just maybe you're in way above your head  
I may burn.. might upset you  
But you know I'd never let you down down down down  
No no no oh oh oh
