

How Long

Boz Scaggs

I know I done you dirty
I know I done you wrong
Tell me how long
Has that evening train been gone
How long... tell me baby... how long

Think I hear a whistle
Think I hear a train
Deep down inside me there's a burning pain
How long... tell me baby... how long

You know I love you baby
I swear I do
There's nothing I wouldn't do for you
How long... tell me baby... how long

If I could holler like a lumberjack
I'd climb this mountain lord
And call my baby back
How long... tell me baby... how long

I know I done you dirty
I know I done you wrong
Tell me how long
Has that evening train been gone
How long... tell me baby... how long
