

Talk to Me, Talk to Me

Boz Scaggs

Talk to me
Talk to me
Hold me close
Whisper love
Talk to me
Baby can't you see
Darlin I
I love you so
Let me hear
Stay with me dear
Tell me whoooo
Loves me so
Talk to me
Talk to me
Talk me sweet and gentle ways
Many ways to speak of love
I've heard before
And it sounds so good everytime
Please say the part
I love just once more
Darling I'm so glad you're mine
Talk to me

Hold me close
Whisper love
Talk to me
Darling can't you see
Darling I, I love you so
Many ways to speak of love
I've heard before
And it sounds so good everytime
Please say the words
I love just once more
Darling I'm so glad you're mine
Talk to me
