

## Honky Tonkin' Lifestyle

BR5-49

I'm out till four and I'm up at six  
And when I wake I have a fix  
To try and cure the morning after blues  
To help me make it through the day  
So I can drink the night away

That honky tonkin' lifestyle  
Will get the best of you

I pay my fare and get on the bus  
'Cause I lost my keys and I drank too much  
The only money I have's in my shoe  
I hear the words roll through my head  
That my folks and the preacher said

That honky tonkin' lifestyle  
Will get the best of you

Well I drink and drink and drink and drink some more  
And though I feel high as a kite  
I'm laying on the floor  
My friends tell me to lose the booze  
And then they read the same old news

That honky tonkin' lifestyle  
Will get the best of you

I dance, drink liquor, beer, and wine  
I try to have a happy time  
But by the time I'm thirty I'll be through  
I try to turn to God and pray  
But when I do I hear him say

That honky tonkin' lifestyle  
Will get the best of you
