

Here I am

Bracia

I can hear you people
Words that you're saying...
It's so much easier said than done.
And all that surround us are lies
Nothing but lies...

Ref:

Here i am
For one night stand
Here i am
For one night stand

Cry...Cry for the nation
Pray until the end of time.
There's good and bad inside of you
The saint and the sinner
No we'll never change

Ref:

Here i am
For one night stand
Here i am
For one night stand
Here I am
A peaceful man
Here i go
Nice and slow...
