These Are The Days Of Our Lives

Sometimes I get to feelin I was back in the old days - long ago When we were kids when we were young Thing seemed so perfect - you know The days were endless we were crazy we were young The sun was always shinin - we just lived for fun Sometimes it seems like lately - I just don't know The rest of my lifes been just a show

Those were the days of our lives The bad things in life were so few Those days are all gone now but one thing is true When I look and I find I still love you

You can't turn back the clock you can't turn back the Tide Aint that a shame I'd like to go back one time on a roller coaster ride

When life was just a game No use in sitting and thinkin on what you did When you can lay back and enjoy it through your kids Sometimes it seems like lately - I just don't know Better sit back and go with the flow

Cos these are the days of our lives They've flown in the swiftness of time These days are all gone now but some things remain When I look and I find no change

Those were the days of our lives - yeah The bad things in life were so few Those days are all gone now but one things still true When I look and I find I still love you

I still love you
