Whoah-Whoah-Whoah (4x)

You know it's always on my mind The best is always hard to find OWhoahOhOohOohOohOhOohOh

You know it's always on my mind I only like my favorite kind OWhoahOhOohOohOohOohOohO

I just want to forget
Where my afternoon went
But I have to remember today
All I want and all I need
Is just another pound of weed
So I can go inside and play

You know it's always on my mind If I stop I will go blind OWhoahOhOohOohOhOohOhO

You know it's always on my mind It gets me through the daily grind OWhoahOhOohOohOohOhOohOh

I just want to forget
Where my afternoon went
But I have to remember today
All I want and all I need
Is just another pound of weed
So I can go inside and play

Whoah-Whoah-Whoah (4x)

You know it's always on my mind Can't you see it in my eyes OWhoahOhOohOohOohOhOohOhO

You know it's always on my mind I'm running low on my supplies OWhoahOhOohOohOohOohOohOohO

I just want to forget
Where my afternoon went
But I have to remember today
All I want and all I need
Is just another pound of weed
So I can go inside and play
