

No I In Beer

Brad Paisley

Wherever you are tonight
Whatever you're going through
Grab a long neck bottle or a big 'ol pint
And let's all have a few, 'cause

We're all in this together
To me it's all so clear
Drinkin' oughta be a team effort
There is no "I" in beer

So you got a buddy whose heart broke
See if you can get him on the phone
Tell him life ain't fair we all been there
But ya don't have to drink alone, 'cause

We're all in this together
That's why God put us here
Drinkin' oughta be a team effort
There is no "I" in beer

There ain't no "U" or "I" in beer, that's right
But there's about to be a lot of beer in you and I

(We're all in this together)

This was gonna be our season
Yeah, we were the team to beat
Oh but not anymore, we're lookin' at the score
In shock and disbelief, but

We're all in this together
And there's always next year
I'm liking all this team effort
There ain't no "I" in beer, yeah

We're all in this together
That's why God put us here
Go ahead and check your Webster's
There ain't no "I" in beer

Yeah, to the farmers and the first responders
To the truck drivers shiftin' gears
Every nurse that needs a break, let me buy you a drink
There ain't no "I" in beer
(We're all in this together)
There ain't no "I" in beer
(We're all in this together)
