She's Everything

Brad Paisley

She's a yellow pair of running shoes A holey pair of jeans
She looks great in cheap sunglasses
She looks great in anything
She's I want a piece of chocolate
Take me to a movie
She's I can't find a thing to wear
Now and then she's moody

She's a Saturn with a sunroof
With her brown hair a-blowing
She's a soft place to land
And a good feeling knowing
She's a warm conversation
That I wouldn't miss for nothing
She's a fighter when she's mad
And she's a lover when she's loving

And she's everything I ever wanted And everything I need I talk about her, I go on and on and on 'Cause she's everything to me

She's a Saturday out on the town And a church girl on Sunday She's a cross around her neck And a cuss word 'cause its Monday She's a bubble bath and candles Baby come and kiss me She's a one glass of wine And she's feeling kinda tipsy

She's the giver I wish I could be And the stealer of the covers She's a picture in my wallet Of my unborn children's mother She's the hand that I'm holding When I'm on my knees and praying She's the answer to my prayer And she's the song that I'm playing

And she's everything I ever wanted...

She's the voice I love to hear
Someday when I'm ninety
She's that wooden rocking chair
I want rocking right beside me
Everyday that passes
I only love her more
Yeah, she's the one
That I'd lay down my own life for

And she's everything I ever wanted And everything I need She's everything to me Yeah she's everything to me Everything I ever wanted And everything I need She's everything to me
