

Bad Attraction

Brad Sucks

I wanna do my own thing but I, think I followed a trend.
It's been suggested baby I - I wanna be your best friend.
Blind in my eye holes and just trying hard to see
I can tell by your middle finger that you're warming up
to me yeah.

Satisfaction, yeah.
Bad attraction, yeah.
Satisfaction, yeah.
Yeah, bad attraction.

You got the message but I, wanna give it to you some
more.
climb through the window then you, try to show me the
door yeah.
Where I put the sunshine baby well, nobody knows.
We could get together without, coming to blows yeah.

Satisfaction, yeah.
Bad attraction, yeah.
Satisfaction, yeah.
Yeah, bad attraction.
