

Believe in Yourself

Brad

Wake up little darlin'
I know it won't take too long
Wake up little darlin'
You haven't done nothin' wrong
Lights out in the castle
We've been stayin' up too late
Pray now, little darlin'
We're living for love not hate
Pressures are comin'
But never you be afraid
Hey now little angel
You're always gonna be safe
If you believe in
Ba Ba, da da da da, da da da da da daaaa
If you believe in yourself
Ba Ba, da da da da, da da da da da daaaa
If you believe in yourself
Wake up little angel
And see this mighty strange place
With so many battles
Fought over time and space
Pressures are comin'
But never you be afraid
Hey now little angel

You're always gonna be safe
If you believe in
If you believe in
Ba Ba, da da da da, da da da da da daaaa
If you believe in yourself
Ba Ba, da da da da, da da da da da daaaa
If you believe in yourself
If you believe in yourself
Takes us back to the start...
Greater is the moment
When you remember your heart
Pressures are a comin'
But never you be afraid
Hey now little angel
You're always gonna be safe
If you believe in
Ba Ba, da da da da, da da da da da daaaa
If you believe in yourself
Ba Ba, da da da da, da da da da da daaaa
If you believe in yourself
If you believe in yourself
If you believe in yourself
