Brad

Yeah, I'm all over this  
I'm out of obsession  
Over I'll see  
I swear, I swear  
I'm out on a mission  
Don't worry me with "no better"  
It's a lie  
I swear, I swear  
What's the damage

I can't take any more  
Where's the ocean or place to die  
Better hands than mine willing to share  
Yeah, I'm all over this

I'm into the shelter  
My mind is scarred with my name  
I swear  
Na, na, na, na, na...
