

## Eeyore And Easel

Braid

She said typewrite  
Sad and all i had  
She said circles in squares ain't bad  
She said find it  
That was all i had  
She'd give everything for anything  
And all i had i borrowed

You gotta break this yeah  
And she'll break me in

Sad paperweight  
Sad and all i had  
Sad subtleties make her mad  
Said drown it  
Sad and all i had  
She'd give everything for anything  
Out of my system

Measure me in love and  
I hate you  
I miss you  
I pity you  
Measure me in love and  
She wanna?  
(well doesn't everybody?)
