Close windows and drapes To avoid flying glass and Water damage

Close room door and Evacuate to the nearest Designated shelter area

Do not use the elevator

Seek protection from window areas Do not go outside the building This is not a test

In the event of an emergency Don't forget to salvage the scene A laundry list of spitfire items And the ring you never wear

Hall walls are painted planted Hall walls never sweat Hall walls can manage damage But we never forget

Assume seated position in a Shelter area and await notification That the danger has passed

Hall walls are cornered in corners
Hall walls stay staked
Hall walls can contact coroners
Hall walls don't break
