

## Hugs From Boys

Braid

never did much to restore  
my self-confidence  
and you said i should have more

i was only kidding when i said  
blind date  
sitting in your car  
you got angry and hit my arm

dashboard hugs from drunk boys

got angry and hit the dashboard  
i didn't want to talk about it  
you didn't want to hear about it

stare at the road i'm honored  
there on the road my solemn word  
stare at the road i'm honored  
stay in my blood too long  
i'm there on the road and honored  
fear of the road my solemn word  
it stayed in my blood your honor  
too long

said you liked hugs from boys  
but i never saw them  
i never saw them  
but i knew they were there
