

# All Alone

## Brainstorm

Heaven's no place for me not even hell  
You burned all the good things again  
I walked the earth and crossed that line to find  
A place to go a place to dwell

Where do I run, where will I hide  
I'm warning with my fears  
You see the blood drop from my eyes  
But still you'll return and take back my tears

I would do anything just to hear you scream  
Now you will make me fall but only in your dreams

Despair is just my part of life  
I'm cryin' all alone  
I thought I'd left it all behind  
But I feel like my hope is dead and gone

Not looking back again I'll start a new  
And cast a shadow of myself  
I read between the lines and save it for the cruel  
It's my tale I have to tell

I'm on the road to nowhere, I don't know what's true  
You always put the blame me  
Can you see what I see can't you read my mind  
You threw my life away

These are the hands of fate, your eyes they lie again  
Life's taking me nowhere, I'm the shadow of my shame

Despair is just my part of life  
I'm cryin' all alone  
I thought I'd left it all behind  
But I feel like my hope is dead and gone
