

Baby, don't be my crutch when this shit get gory  
Got that radioactive touch, I'm from purgatory, she heard the story  
I've been wearin' a demon, I've barely been eatin', I'm  
Scrollin' all night, that's why I can't get to grieving  
Baby, don't be my crutch when this shit get gory  
Got that radioactive touch, I'm from purgatory, she heard the story  
I've been wearin' a demon, I've barely been eatin', I'm  
Scrollin' all night

Break it all down, like what does it mean to me? (Exclusive)  
I got in this position so damn easily  
Think I got good intentions, I got decency  
But am I really a good person when I need to be? I need to be  
He put me on a pedestal and liked nine tweets  
I'm gettin' this tightness in my chest that make me grind my teeth  
So I'ma just take another edible and go 5g  
Old friends, they hate me now, I'm never gonna find my feet

Always puttin' myself above you to feel important  
No, I'm never gon' take that dub, I can't be rewarded, go re-record it  
I've been wearin' a demon, I've barely been eatin', I'm  
Scrollin' all night, that's why I can't get to grieving

Oh, don't be my crutch when this shit get gory  
Got that radioactive touch, I'm from purgatory, I'm-  
Nah, never gon' need your love, I can't feel supported  
Got this feelin' in my gut, dread it every morning  
Heat distortion, it's-

(Eyes on a phone)  
Reason to get my head out of shit I regret  
(Eyes on a phone)  
Read me in overtime and it's nothing but net  
(Eyes on a phone)  
Yeah, feast on an open mind, I can't budget the feed  
(Eyes on a phone)  
They're farmin' our attention for a buck, like are you people?  
(Eye, eye, eye)  
They're using eyes like a resource  
That's when I start to think we're fucked, there ain't no recourse  
I profit off keystrokes, playin' into it, fillin' my plate  
Unstoppable heat source, burnin' off any minute I take it  
And when I die, I hope I'm buried in a forest  
That is if any of it's left, this shit is torrid  
For now, I'm using up my gift to write a chorus

Always puttin' myself above you to feel important  
No, I'm never gon' take that dub, I can't be rewarded, go re-record it  
I've been wearin' a demon, I've barely been eatin', I'm  
Scrollin' all night (Ahh)

They're layin' waste to a new biome  
To make a case for the new iPhone  
The waters laced and they know I know  
Wearin' a demon, I can't get to grieving, I-

(Hollywood) Can't get to grieving, I  
Gotta repeat it, I (Just give up)  
(Hollow) Too busy dreaming (Just give up)  
Part of my (No), that's why I can't (Just-), that's why  
A hypochondriac, I think of you, blood pressure spikes  
I'll have a heart attack, the things I do-
