

Can't you see it?
I'm trying
Oh, it's like you're released or you're free or...
I don't know how I can tell you
How do you feel inside?
Inside?
I don't have an inside
Is it all one?

I'll never call my friends
'Cause I don't have to

Yes, everything is one
I... You have nothing to do with it
I am one with what I am
I can see everything in color
Everything... you have to see the air
You can't believe it
And everything is coming down through you and moving

I have to see you every
Monday through Friday
I don't need help

How can you think it?
You-I... Can't you feel it?

You-I... Can't you feel it?
Everything is so beautiful and lovely
And alive
