Branan Murphy

I never meant to get addicted  
There was something I was missing  
I think I lost that bet  
I blame it on my friends  
I can't help I was dared to do it

Like high school in a small town  
We got nothing else to do, we ain't got  
Nothing to do  
We got nothing to lose  
We'll try anything to keep us from  
Anything to keep us from being

Nothing to do  
We got nothing to lose  
We'll try anything to keep us from  
Anything to keep us from being

Bored, oh, oh  
Anything to keep us from  
Anything to keep us from being  
Bored, oh, oh, bored, oh, oh  
Nah-nah-nah, nah-nah-nah, nah-nah-nah, nah-nah-nah, nah  
Maybe we're not crazy, we're just bored

Bored, oh, oh, oh, oh  
Nah-nah-nah, nah-nah-nah, nah-nah-nah, nah-nah-nah, nah  
Yeah

An idle mind is the devil's playground  
I must be on the merry-go-round  
A foolish price to pay  
For being entertained  
We turn up, then we come crashing down

Like high school in a small town  
We got nothing else to do, we ain't got  
Nothing to do  
We got nothing to lose  
We'll try anything to keep us from  
Anything to keep us from being

Bored, oh, oh, bored, oh, oh  
Nah-nah-nah, nah-nah-nah, nah-nah-nah, nah-nah-nah, nah  
Maybe we're not crazy, we're just bored  
Bored, oh, oh, oh, oh  
Nah-nah-nah, nah-nah-nah, nah-nah-nah, nah-nah-nah, nah  
Yeah

Roll one when I feel real low  
Roll two when I'm free to do  
No, it don't change nothing  
But I'm T'd up in this room  
Pop two, pop three more  
Who's driving home  
Keeping it a band with you  
Got issues, put 'em in the swishers

Forgetting we in

High school in a small town  
Yeah, we never really graduated  
Same old, same old  
Same high, same low  
High school in a small town  
Man, I thought I was infatuated  
But I was just bored, now my soul is stuck here like

Oh

Bored, oh, oh, hey, oh, oh  
Anything from just  
Anything from, nah, nah, nah, nah, nah, nah, nah  
Bored, oh, oh, oh, oh  
Nah-nah-nah, nah-nah-nah, nah-nah-nah, nah-nah-nah, nah, yeah

Boy, oh, oh, oh, oh, oh, oh  
Anything to keep us from  
Anything to keep us from being  
Bored, oh, oh, oh, oh, oh, oh
