

Look At What Grace Can Do

Branan Murphy

This is the story of a masterpiece in the making
Through all of my pride, the hurt, the beauty, and the breaking
But I'm not who I was, the definition of
God can do anything
I am a walking, breathing, miracle

Look at what grace can do
Look how love pulled me through
I made a mess but he rearranged everything in the room
Nothing I could deserve
And I don't know what you heard
But let me be the proof
Look at what grace can do

Do you believe that you're a masterpiece in the making?
That there's a reason for every dead end road you've ever taken?
It doesn't matter what you've ever done
Jesus can make it new
If he can change me, I know he can change you too

Look at what grace can do
Look how love pulled me through
I made a mess but He rearranged everything in the room
Blessings I don't deserve
And I don't know what you heard
But let me be the proof
Look at what grace can do

It's not over
It's not over
This is a love you can't outrun
I know the best is yet to come
It's not over
It's not over
Victory comes to those with nothing left to lose

Look at what grace can do
Look how love pulled me through
I made a mess but he rearranged everything in the room
Nothing I could deserve
And I don't know what you heard
But let me be the proof
Look at what grace can do

Making all things new
Look at what grace can do
