

# My Life

**Branan Murphy**

I'm one of the usual suspects  
I'm an unlikely candidate  
I never deserved such grace  
If you know me you know I've been changed  
You and me, we're not that different  
Truth is, don't want you to miss this  
Beautiful, beautiful purpose you were made for

Honestly, I could say it a hundred ways  
I could tell you a thousand times  
But if you really wanna see redemption

Take a look at my life, I'm not who I was before  
Look in my eyes, I'm not hiding anymore  
Yeah, we all fall short of perfect and I'm the living proof  
So if you think God's love could never find you  
Take a look at my life  
My life, my life... my life  
My life, my life... my life

So tell me all your misconceptions  
'Cause I know I've felt how you feel  
You are not alone  
We all need something real

And I could say it a hundred ways  
I could tell you a thousand times  
But if you really wanna see redemption

Take a look at my life, I'm not who I was before  
Look in my eyes, I'm not hiding anymore  
Yeah, we all fall short of perfect and I'm the living proof  
So if you think God's love could never find you  
Take a look at my life  
My life, my life... my life  
My life, my life...

If you've been running from the truth  
And if you've been searching for some proof  
The evidence is right in front of you... in my life  
I'm not who I was before, no, I'm not hiding

Take a look at my life, I'm not who I was before  
Look in my eyes, I'm not hiding anymore  
Yeah, we all fall short of perfect and I'm the living proof  
So if you think God's love could never find you  
Take a look at my life  
Take a look at my life  
My life, my life... my life  
Just take a look at my life  
Just take a look... at my life  
My life, my life... my life

My life, my life... my life  
My life  
My life, my life... my life
