

Skin

Branan Murphy

Do my eyes deceive me?
Can I pull you in?
I want to taste the mystery
Every time that we touch
Is the evidence
There's a fire underneath

You keep showing your world to me
I keep falling in love
It ain't just what my eyes can see
It ain't even the rush

Gotta get beyond your... Skin
I keep on finding the beauty that's hiding
Gotta get beyond your... Skin
I want to get under cover
'Cause beauty lives beyond your... Skin
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh, oh-ohh-oh-ohh

Is a look deceiving?
Is it ignorance?
I wanna solve the mystery, yeah
I think it's time to forfeit
Every arrogance
Lay your weapons at your feet

You keep showing your world to me
I keep falling in love
Our solo turns to a symphony
And we'll be rising above

Gotta get beyond your... Skin
I keep on finding the beauty that's hiding
Gotta get beyond your... Skin
I want to get under cover
'Cause beauty lives beyond your... Skin
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh-

The truth is waiting
We're face to face and
There's more to see
I want to see

Gotta get beyond your... Skin
I keep on finding the beauty that's hiding
Gotta get beyond your... Skin
I want to get under cover
'Cause beauty lives beyond your... Skin
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh, oh-ohh-oh-ohh
Oh-oh-oh-ohh, oh-ohh-oh-ohh
