

# This World Is Not My Home

**Branan Murphy**

I put my trust in gold  
I love the way it shines  
I'm getting comfortable  
Dancing with all the lies  
With all the lies

My soul is not for sale  
My heart is not for hire  
I've come too far to fail  
Gimme that holy fire  
That holy fire

I need more than all my eyes have seen  
So I can live, I can love like it was meant to be  
This world is not my home

Wherever my treasure is  
That's where my heart will be  
Please don't let me forget  
You already set me free  
You set me free

I need more than all my eyes have seen  
So I can live, I can love like it was meant to be  
This world is not my home

There's a power that's deep inside of me  
So I can give, I can trust let go of everything  
This world is not my home

Don't settle for a glory that will fade  
Don't fall in love with things that hands have made  
Out of the shadows and way past the shallow is where heaven waits

I need more than all my eyes have seen  
So I can live, I can love like it was meant to be  
This world is not my home

There's a power that's deep inside of me  
So I can give, I can trust let go of everything  
This world is not my home
