Seem all the fellas understand what it feel 'Cause it's a Nubian Jam and everything's real

Seem all the fellas understand what it feel 'Cause it's a Nubian Jam and everything's real

It's time to blow up the spot, anything you was in, you're through the roof All the jams we done been through is proof We blend truth, with mathematics doin acrobatics over beats The sound dramatic when it played in Landrover jeeps I know my peeps is in the front of the stage Smokin blunts with the strokin stunts, ready to set it When the word is given, I know you heard how we was livin Never takin no shit, just stayin clever and makin the hits Shakin the tits of the honeys when they jump Makin money's what we bump 'cause slumps is for chumps And we pumps, worldwide, girls slide backstage Lookin for a free ride, legs divide at a young age Lord Jamar is like Jesus, speakin in parables And to devil's is cemarable To see this, but they ain't got no choice No escapin the penetration of the voice

Seem all the fellas understand what it feel 'Cause it's a Nubian Jam and everything's real

Seem all the fellas understand what it feel 'Cause it's a Nubian Jam and everything's real

And I watched and I watched and I watched then I looked The X is like no other who can drop it in the rain I'm not that high, so give me back my lighter Stage right in the party at night, I'm in the shadows Thinkin bout returnin to the spotlight The X is top flight, ESPN highlight From, throughout the rhythm, I give em what I give em Oil slickness on that ass like *?Ewin?* I know what I'm doin, leave your whole town ruined Brand Nubian, the name alone stands Overseas fans be shoutin different accents So hence the black prince from 2-0 Soft-spoken but my words comprehended by the herds Goin back to the days past the ol' gun phase All stare in amaze or get caught with the rays 'Cause the X is like the master of the phrase....

Seem all the fellas understand what it feel 'Cause it's a Nubian Jam and everything's real

Seem all the fellas understand what it feel 'Cause it's a Nubian Jam and everything's real

Seem all the fellas understand what you feel 'Cause it's a Nubian Jam and everthing's real

I want the mic in the clutch 'Cause it's too cold to hold, and too hot to touch

I'm like the thoroughbred searchin for cheese You can't cut off the head of a fatal disease

MC's freeze at thirty-two degrees below Justice served, now watch us bust this herd In the head with another jam set by the brother man Letters for the other man, understand
