

# Heart's Content

Brandi Carlile

Maybe you thought  
I hung the moon  
Maybe you thought  
We were johnny and june  
Maybe we thought  
It was just us two  
Maybe we spoke too soon

We never lie  
And we don't tell tales  
We bite our tongues  
And our fingernails  
We fall in love  
And we don't fall out  
Maybe we speak too soon

Here's you and me  
And in between  
We draw a line  
But we can't see  
Where it's been  
We scratch our heads  
And race against  
The heart's content

Oho oho oho oh yeah

Maybe we hurt  
Who we love the most  
Maybe it's all we can stand  
Maybe we walk through the world as ghosts  
Break my own heart before you can

Here's you and me  
And in between  
We draw a line  
But we can't see  
Where it's been  
We scratch our heads  
And race against  
The heart's content

Ohoho yeah

Maybe we know how the story ends  
Maybe it's not even about us  
We both retreat to opposing sands  
And the love lives on without us

One thing I know for sure is  
Love will find a way  
Love will find a way

Here's you and me  
And in between  
We draw a line  
But we can't see

Where it's been  
We scratch our heads  
And race against  
The heart's content

Oho oho oho  
You and me  
Oho oho oho  
You and me  
Oho oho oho  
You and me  
Oho oho oho oh yeah
