

# That Wasn't Me

Brandi Carlile

Hang on, just hang on for a minute  
I've got something to say  
I'm not asking you to move on or forget it  
But these are better days  
To be wrong all along and admit it, is not amazing grace  
But to be loved like a song you remember  
Even when you've changed

Tell me, did I go on a tangent?  
Did I lie through my teeth?  
Did I cause you to stumble on your feet?  
Did I bring shame on my family?  
Did it show when I was weak?  
Whatever you've seen, that wasn't me  
That wasn't me, oh that wasn't me

When you're lost you will toss every lucky coin you'll ever trust  
And you'll hide from your God like he ever turns his back on us  
And you will fall all the way to the bottom and land on your own knife  
And you'll learn who you are even if it doesn't take your life

Tell me, did I go on a tangent?  
Did I lie through my teeth?  
Did I cause you to stumble on your feet?  
Did I bring shame on my family?  
Did it show when I was weak?  
Whatever you've seen, that wasn't me  
That wasn't me, oh that wasn't me

But I want you to know that you'll never be alone  
I wanna believe, do I make myself a blessing to everyone I meet  
When you fall I will get you on your feet  
Do I spend time with my family?  
Did it show when I was weak?  
When that's what you've seen, that will be me  
That will be me, that will be me  
That will be me
