

# Truth

Brandon Beal

What if I told you that them jeans that you wearing  
Make your ass look oh so nice?  
What if I told you that I like looking at  
Your cleavage instead of your eyes?  
What if I told you that I bought them drinks  
Cause I'm tryna get you feeling alright  
And if you get a little faded, baby  
Maybe we'll be laying somewhere naked tonight

I wanna tell the truth  
I wanna tell the truth  
I wanna tell the truth  
I just wanna tell the truth  
Cause I can be a liar, liar  
Pants on fire  
Say everything that you desire  
But tonight I think that I  
I, I wanna tell the truth  
I wanna tell the truth  
I'm tryna fuck with you  
But I wanna tell the truth

So, what if I told you them girls that you with  
Ain't nearly as sexy as you?  
So they probably gon' hate and hold you back  
If we go have a private party for two  
What if I said I'm tryna get you home  
And I ain't tryna kiss, cuddle or play?  
I'm tryna make you scream and shout, turn you out  
And you'll be happy for the very next day

That's the truth  
I wanna tell the truth  
I wanna tell the truth  
I just wanna tell the truth  
Cause I can be a liar, liar  
Pants on fire  
Say everything that you desire  
But tonight I think that I  
I, I wanna tell the truth  
I wanna tell the truth  
I'm tryna fuck with you  
But I wanna tell the truth

See baby, I know exactly what you wanna hear  
You want me to say something like  
I love your smile  
I love your personality  
Can I take you out?  
But girl, you won't hear that from me, no  
But your booty straight popping  
Titties straight knocking  
Let's be honest  
Girl, you a problem  
Keep it 100  
That's the only thing that I do

I gotta tell the truth  
I wanna tell the truth  
I 'm tryna fuck with you  
But I wanna tell the truth  
I wanna tell the truth
