## **Give Me Your Eyes**

## **Brandon Heath**

Looked down from a broken sky Traced out by the city lights My world from a mile high Best seat in the house tonight

Touched down on the cold black tar Hold on for the sudden stop Breathe in the familiar shock Of confusion and chaos

All those people going somewhere Why have I never cared?

Give me Your eyes for just one second Give me Your eyes so I can see Everything that I keep missing Give me Your love for humanity

Give me Your arms for the broken hearted The ones that are far beyond my reach? Give me Your heart for the one's forgotten Give me Your eyes so I can see Yeah, yeah, yeah, yeah

Step out on a busy street See a girl and our eyes meet Does her best to smile at me To hide what?s underneath

There?s a man just to her right Black suit and a bright red tie Too ashamed to tell his wife He's out of work, he's buying time

All those people going somewhere Why have I never cared?

Give me Your eyes for just one second Give me Your eyes so I can see Everything that I keep missing Give me Your love for humanity

Give me Your arms for the broken hearted The ones that are far beyond my reach? Give me Your heart for the one's forgotten Give me Your eyes so I can see Yeah, yeah, yeah, yeah

I've been there a million times
A couple of million eyes just moving past me by
I swear I never thought that I was wrong

Well, I want a second glance So give me a second chance To see the way You see the people all alone

Give me Your eyes for just one second

Give me Your eyes so I can see Everything that I keep missing Give me Your love for humanity

Give me Your arms for the broken hearted The ones that are far beyond my reach? Give me Your heart for the one's forgotten Give me Your eyes so I can see

Give me Your eyes for just one second Give me Your eyes so I can see Everything that I keep missing That I keep missing

Give me Your arms for the broken hearted
The ones that are far beyond my reach?
Give me Your heart for the one's forgotten
Give me Your eyes so I can see
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
