

Neverland

Brandon Heath

There is a place you can't see, but I'm certain it's there
Where adventure and magical memories fly through the air
Inside lives a boy who will never grow up
It's hard to believe, but it's true

I'll never leave you
Never forget you
Darlin', I'll love you forever
I'm never changing my mind
I'll never be perfect
I'll never stop trying
Some people say "never say never"
Some people don't understand
Dads come from Neverland

One day he saw a girl and it threw his whole world upside down
She gave him a kiss and he couldn't believe what he'd found
Treasure worth more than a pirate could steal
That's how you know that it's real

I'll never leave you
Never forget you
Darlin', I'll love you forever
I'm never changing my mind
I'll never be perfect
I'll never stop trying
Some people say "never say never"
Some people don't understand
Dads come from Neverland
Dads come from Neverland

He's more than a kid in a story you see
That little boy is me

I'll never leave you
Never forget you
Darlin', I'll love you forever
I'm never changing my mind
I'll never be perfect
I'll never stop trying
Some people say "never say never"
Some people don't understand
Dads come from Neverland
Dads come from Neverland
Dads come from Neverland
