

# Only One in the World

Brandon Heath

Some days I get going sideways  
Down a lonesome highway  
Steering my life my way

Where I don't need permission  
Making bad decisions  
Path of least resistance

I get used to living  
Like I'm the only one in the world  
The only one in the world  
The only one in the world

Tell me now am I the only one in the world  
Who gets turned around  
'Til I'm upside down

Don't tell me I'm the only one in the world  
The only one in the world

Some days I feel like I'm wrestling  
Impossible questions  
Confusing my blessing

For what I'm chasing after  
Things that just don't matter  
Climbing up that ladder

Don't the top get lonely  
When you're the only one in the world

The only one in the world  
The only one in the world

Tell me now am I the only one in the world  
Who could come this far  
And then fall so hard

Don't tell me I'm the only one in the world

I know I am really just a face lost in the crowd

Another voice in the distance  
Another hand reaching out  
I'm burdened and I'm broken

I'm as common as can be  
But when He looks at me  
It's like I'm the only

One in the world  
The only one in the world

I know, I know, I know  
I'm not the only one in the world  
The only one in the world

He loves me like I'm the only one in the world  
Mmm...  
The only one in the world
