

## Life For Two

Brandon Jenner

My body is aching, it soon will disappear  
But every heartbeat was worth it, I had so many good years

My child, I wish I wasn't leaving you  
Some things are out of our control

I will be your angel  
Watching over you  
Now let go of the sorrow  
Around losing me  
And go live your life for two

Never be afraid to cry, always let yourself have fun  
Don't ever think you're any better or any worse than anyone

Well I'm sorry that I won't be there to see you wed  
I can't stand that I will never hold your child

I will be your angel  
Watching over you  
Now let go of the sorrow  
Around losing me  
And go live your life for two  
Live your life for two

Oh, why did it have to be this way?  
You're far too young for what you must go through  
If God ever had a plan for me  
Well, that plan was you

I will be your angel  
Watching over you  
Now let go of the sorrow  
Around losing me  
And go live your life for two  
Live your life for two  
Go live your life for us, honey
