

Simple Guy

Brandon Jenner

I see you walk by I don't mean to stare
Turn around come close if you dare
I can't resist its laughable
But your body just screams unstoppable
I try to play cool I try to be smart
But this passion comes straight from the heart
I know it's not quite impossible just need to show you I care

So I keep picking up my clothes
And turning down the bed cause
I know that one of these days it's gonna pay off it's coming right back
So I keep letting you sleep in while
I'm cooking for our kids cause
I know that one of these days it's gonna pay off it's coming right back to me

Cause when you break it down, I'm a simple guy

All I wanna do, all I wanna do
All I wanna do, all I really ever wanna do
Girl, is make love to you

I walk through the house looking for you
You see, I love all the things that you do
This great life unsustainable
But the joy in this moment is obtainable
When I do my best then you'll know it's true
That everything I do is for you
We know this love is undeniable now let me show you I care

So I keep picking up your calls
And feeding all our dogs cause
I know that one of these days it's gonna pay off it's coming right back
So I'll keep putting things away
And asking about your day cause
I know that one of these days it's gonna pay off it's coming right back to me

Cause when you break it down, I'm a simple guy

All I wanna do, all I wanna do
All I wanna do, all I really ever wanna do
Girl, is make love to you, that's right
All I wanna do, all I wanna do
All I wanna do, all I really ever wanna do
Girl, is make love to you, mmm

All I want, all I want everyday is to be making love to you
All I want, all I want everyday is to be making love to you
Cause when you break it down, I'm a simple guy

All I wanna do, all I wanna do
All I wanna do, all I really ever wanna do
Girl, is make love to you, that's right
All I wanna do, all I wanna do
All I wanna do, all I really ever wanna do
Girl, is make love to you, mmm

All I want, all I want everyday is to be making love to you
All I want, all I want everyday is to be making love to you
