

# Closer

Brandon Lake

Like the rushing wind  
Would you breath within my heart  
Through the raging storm  
Would you hold me in your arms

Cause I need you  
How I need you

I need your love like I need water  
I need your love like I need breath inside my lungs  
Burn in my heart just like a fire  
Come and take me over  
Jesus draw me closer  
To your heart

Through the wind and rain  
I can hear you call my name  
When the nights get rough  
I will still sing out your praise

Cause I need you  
How I need you

I need your love like I need water  
I need your love like I need breath inside my lungs  
Burn in my heart just like a fire  
Come and take me over  
Jesus draw me closer  
To your heart  
Your heart  
Your heart

Closer than my every breath  
Closer than my every step  
Closer than the song I sing  
Closer than anything  
Closer than every breath  
Closer than my every step  
Closer than the song I sing  
Closer than anything

I need your love like I need water  
I need your love like I need breath inside my lungs  
Burn in my heart just like a fire  
Come and take me over  
Jesus draw me closer

I need your love like I need water  
I need your love like I need breath inside my lungs  
Burn in my heart just like a fire  
Come and take me over  
Jesus draw me closer  
To your heart  
Your heart  
Your heart

Come and take me over

Jesus draw me closer  
To your heart
