

# GOD IS NOT AGAINST ME

Brandon Lake

You call me strong and courageous  
When I don't feel like I am  
You could've turned me away  
But You chose me instead

You say that I'm gonna make it  
When I don't feel like I can  
You see the battle I'm facing  
And You're stepping in

You're in it with me  
You're working through me  
Fighting for me  
God is not against me  
You're in it with me  
You're working through me  
Fighting for me  
God is not against me

I have a new revelation  
A savior who calls me His friend  
I used to fight on my own, oh  
But never again, oh  
Oh

I have a power that's greater  
Than all of the enemy's lies  
And I know the truth of the gospel  
That You're on my side  
You're on my side

You're in it with me  
You're working through me  
Fighting for me  
God is not against me  
You're in it with me  
You're working through me  
Fighting for me  
God is not against me, no

You're in it with me  
You're working through me  
Fighting for me  
God is not against me, no  
You're in it with me  
You're working through me  
Fighting for me  
God is not against me

This is not my fight  
You are my defense  
You hold my life  
This is my confidence  
You are by my side  
You have called me friend  
You hold my life  
This is my confidence

This is not my fight  
You are my defense  
You hold my life  
This is my confidence  
You are by my side  
You have called me friend  
You hold my life  
This is my confidence  
Oh  
This my confidence

You're in it with me  
Working through me  
Fighting for me  
God is not against me, no  
You're in it with me  
You're working through me  
Fighting for me  
God is not against me, no

You're in it with me  
You're working through me  
You're fighting for me  
God is not against me, no  
You're in it with me  
You're working through me  
You're fighting for me  
God is not against me  
Oh  
No, God is not against me, no  
  
God is not against me
