

House Of Miracles (Prayer)

Brandon Lake

Amen

While we're in this moment

God has taught me a lot about miracles

And that He is still moving, and still healing, and still resurrecting

And I didn't want this moment to pass by and not take this opportunity

And so I've invited my friend Joshua Silverberg up to the stage

I want him to pray over us

Whether you're here in the room or you're listening

I believe that God's gonna heal so many people

And this is gonna happen years and years to come as people watch this

You're gonna be healed

You're listening to this maybe even in your room and you're gonna be set free

And you're gonna be healed

And we even have a testimony

Joshua's become a great friend and how I met you was through Micah back here

Playing guitar Absolutely slaying it

But Micah had a disease for about four or five years that they couldn't figure out what it was

I remember bro, just you being laid out on the floor, I remember you telling me "I don't know if I'm gonna wake up tomorrow"

And we prayed over Micah what seemed like a million times

And all of a sudden this stranger, but brother in Christ calls Micah on the phone

In a matter of minutes and continuing to pray, something broke

And electricity hit Micah in the top of his head and went through his body

And delivered him from that disease

So that testimony is in the room and that testimony is going out right now

So I've asked Josh to come pray for us as we have this holy moment where

People are gonna be healed, delivered, and set free

We just thank you Jesus right now that that testimony is actually himself

That testimony is You Jesus

You are in this room

Not the theory of you, not an idea of you, but You are actually in this room

Holy Spirit come and illuminate our eyes to see You

None of us would doubt for a second if Jesus, if you saw Him with your eyes

That you wouldn't be delivered in the spot

But I'm telling you right now that He is here

Holy Spirit come right now, illuminate our eyes to Jesus

What are you carrying that He said, "Cast it on me?"

What are you believing that is opposite of His love for you in this moment?

I speak to every lie in the mighty name of Jesus, bow

Everything that's contrary to the love of Jesus Christ for you in this moment

t

We say get out

Earlier in worship, I saw Jesus come in here

I don't care if some people don't get that

The best way I can describe it is this

If you were standing in your house and you heard footsteps come up behind you

And you knew who it was

Jesus is in this place

He's already touching people right now

He's already healing you, you're being set free right now in the in the

Mighty name of Jesus

Thank you Father, thank you Jesus

Wow, some people are being really delivered right now
Mental illness is leaving, brain injury is leaving right now
In this moment the way that you think, thought patterns are being rearranged
To the image of Christ
Right now, in the mighty name of Jesus, soul wounds fractured, places where
You feel fractured
The hand of God is touching them right now
No one can heal the soul but Jesus Christ, His hand is on your soul right now
w
Thank you Father
From the top of your head to the soles of your feet, we declare you're healed
d
And whole in the mighty name of Jesus
Every affliction, come off
Every sickness, come out
All of it, it doesn't matter what it is
Tumors we command you to dissolve right now in the name of Jesus
Rise up from that bed of sickness in the mighty name of Jesus
Every sickness go, be healed, be made whole in Jesus name
In Jesus name, His hand is upon you, He loves you, He is for you
And above it all, I just pray for a revelation of Jesus Christ to stay with
You from this moment
To know that He never leaves, not for a second, it's impossible
So the last time we just say in the mighty name of Jesus, be healed, be made
Whole, be delivered, all of it
It doesn't matter what it is, Jesus defeated it on the cross
In the mighty name of Jesus
So wherever you are in your room, wherever you are watching this later
Wherever you are right here in this moment just begin to do something you can't
n't
Do because now you can
Many people already feel lighter, that's the oppression of the ways of the
World just lifting off of you
Start to move
You have a tumor in a spot? Press it right now
You have trouble thinking certain ways? You can't see? Take out a Bible and
Start reading
Whatever it is, in the mighty name of Jesus, I declare blessing over your
Family, you are a house of miracles
I see ruins being restored
Every bit of division, we say fall now, in the mighty name of Jesus
Thank you, Father
We speak blessing into the home, peace into the home
You are a moving, breathing, house of miracles in the mighty name of Jesus
Amen

Come alive in the name of Jesus
Come alive in the name of Jesus
This is a house of miracles
We bring everything to the feet of Jesus
Everything in the name of Jesus
This is a house of miracles
