

I PROPHECY

Brandon Lake

I prophesy to the lonely places
Healing flow to the broken heart
I see it coming back to life
I see it coming back to life
I see it coming back to life
Gonna see it rise up
Gonna see it rise up
Gonna see it rise

I prophesy over every family
The prodigal will come running home
I see it coming back to life
I see it coming back to life
I see it coming back to life
Gonna see it rise up
Gonna see it rise up
Gonna see it rise

So, Holy Spirit, come revive
Holy Spirit, come breathe life
Holy Spirit come
Whatever You want
Holy Spirit, have Your way
Holy Spirit, come revive
Holy Spirit, come breathe life
Holy Spirit come
Whatever You want
Holy Spirit, have Your way

I prophesy beauty from these ashes
A song of joy from the barren womb
I see it coming back to life
I see it coming back to life
I see it coming back to life
Gonna see it rise up
Gonna see it rise up
Gonna see it rise, yeah

I prophesy, it's a new beginning, yeah
In the light of the empty tomb
I see it coming back to life
I see it coming back to life
I see it coming back to life, hey
Gonna see it rise up
Gonna see it rise up
Gonna see it rise

So, Holy Spirit, come revive
Holy Spirit, come breathe life
Holy Spirit come
Whatever You want
Holy Spirit, have Your way
Holy Spirit, come revive
Holy Spirit, come breathe life
Holy Spirit come
Whatever You want
Holy Spirit, have Your way

Have Your way
Have Your way, have Your way
Yes

So let the four winds blow
With the power of the Lord
Let the darkness know
There's an army coming forth
No, these dry bones
Won't be staying on the floor
There's an army coming forth
With the power of the Lord
Let the four winds blow
With the power of the Lord
Let the darkness know
There's an army coming forth

No, these dry bones
Won't be staying on the floor
There's an army coming forth
With the power of the Lord
Let the four winds blow
With the power of the Lord
Let the darkness know
There's an army coming forth
No, these dry bones
Won't be staying on the floor
There's an army coming forth
With the power of the Lord

I see it coming back to life
I see it coming back to life
I see it coming back to life
Hey
I see it coming back to life
I see it coming back to life
I see it coming back to life
Prophecy
I see it coming back to life
I see it coming back to life
I see it coming back to life
I see it coming back to life
I see it coming back to life
I see it coming back to life

So, Holy Spirit, come revive
Holy Spirit, come breathe life
Holy Spirit come
Whatever You want
Holy Spirit, have Your way
Holy Spirit, come revive
Holy Spirit, come breathe life
Holy Spirit come
Whatever You want
Holy Spirit, have Your way

Have
Hey
Hey
Oh
Oh

Breath of Heaven, come, blow
Holy Spirit, come, flow
Breath of Heaven come, blow
Holy Spirit, come, flow
Breath of Heaven come, blow
Holy Spirit, come, flow
