

# Temple

Brandon Lake

I stand on holy ground  
My faith will not be moved  
All my defenses down  
Come and do what You wanna do  
Father, I'm listening  
I'm hungry for Your Word  
I would give up anything  
To see Your kingdom flood the Earth

'Cause I am a temple of Your Spirit  
A born again believer, by the grace of Jesus  
And I am an ambassador of Heaven  
A lover of Your presence, prophesying freedom  
And it's all for Your glory

I see this city shake  
Your power on the streets  
Thousands by thousands saved  
Hear the roar of the redeemed  
Your cross has overcome  
Overthrown the enemy  
If I boast in anything  
It's Jesus living in me

'Cause I am a temple of Your Spirit  
A born again believer, by the grace of Jesus  
And I am an ambassador of Heaven  
A lover of Your presence, prophesying freedom  
And it's all for Your glory  
And it's all for Your glory  
And it's all for Your glory  
And it's all for Your glory

Oh-oh, oh-oh  
Yeah, yeah  
Oh-oh, oh-oh  
Yeah, yeah

Oh, I am a temple of Your Spirit  
A born again believer, by the grace of Jesus  
And I am an ambassador of Heaven  
A lover of Your presence, prophesying freedom  
And it's all for Your glory  
And it's all for Your glory  
And it's all for Your glory
