

# Like It Was The Last Time

Brandon Rhyder

On a warm summer night, down in Austin  
I got down on one knee, and asked for your hand  
You said you're moving to fast, I'm not ready  
Let's take it slow, and I said alright baby, baby we'll take it  
slow  
And then I drove you home, you invited me in

I came to bed with you, and we made love  
Like it was our first time, Like it was the last time  
Like it was something brand spanking new,  
Like something that we had never knew

Like it was the first time, that I'd ever seen your face  
Like it was the first night we made love and you wore lace  
I kissed you good night, and I pulled out of your drive  
Like it was the last time

On a cold rainy night, down in Austin  
I covered you up and I kissed you goodnight  
I got in the car, pulled out of the drive  
Drove down the street, I put her in park, at the stop sign  
And then I put her in reverse, I backed her into the drive  
I came to bed with you, and we made love

Chorus

Some things never give, but if it's the last thing that I do  
I promise you, I promise you, I'm gonna leave you

Chorus
