This Ain't It

Brandon Rhyder

Whatever I expected you to say, whatever I expected you to do
Whatever I made up in my head. I thought you would be thinking
it too
Whatever I thought you needed, whatever I thought was right
Anything that I could do to make you love me one more night
I rack my brain, I fight my pride
I curse my doubt, turn myself inside out
If there ever was a day for me to give up
After everything I gave just wasn't enough
If there ever was a day I outta just let you walk away
Yeah but you know me I'm a hard headed man
I'm just getting started doing all I can
Baby if there ever was a day to quit
Baby this ain't it
Whatever I said wrong I take it back, whatever I can do to make
 you laugh
If all you have is half a heart, I don't mind I'll take the bro
ken part
I won't give in I won't give up
I'll dig down deep and find more love
If there ever was a day for me to give up
After everything I gave just wasn't enough
If there ever was a day I outta just let you walk away
Yeah but you know me I'm a hard headed man
I'm just getting started doing all I can
Baby if there ever was a day to quit
Baby this ain't it
This ain't nothing but a storm to weather
We can't do nothing but get a whole lot better
If there ever was a day for me to give up
After everything I gave just wasn't enough
If there ever was a day I outta just let you walk away
Yeah but you know me I'm a hard headed man
I'm just getting started doing all I can
Baby if there ever was a day to quit
Baby this ain't it
No baby this ain't it
It ain't nothing but a storm to weather
This ain't nothing but a storm to weather baby
Oh baby, baby this ain't it
I won't give up, I won't give in
I'll dig down deep, we'll find more love, we'll find more love
